Pkrussl and X3non

On 2 January 2019 we were provided with further evidence linking Parker to the hs2012 Furaffinity account. In early 2012 Parker created a music alias, X3non. Tweets from the officialx3non Twitter account prove Parker is X3non.

This same alias was included in the keywords the Xeno The Hedgehog piece was tagged with on the hs2012 FA account. The piece was posted 19 days after the “this is Pkrussl” tweet was made on the officialx3non account.

Further evidence that X3non is Parker is the connection to Parker other music alias, Spektranova. X3non includes links to the now deleted Spektranova Soundcloud account on

This is my review, so far, of the newest games in the Pokemon Franchise: Pokemon X and Y. The new games are fantastic, and exceed all my expectations. This review was made when I had only finished about half of the game, and a full review will come when I finish it entirely! Be sure to give the video a thumbs up, and be sure to subscribe for more!
